Dear Friends,

This letter is to let you know that I received your Christmas present yesterday and it was in perfect condition.

Although a little late it was received with appreciation and I thank you very much.

You addressed it to Douglas, Georgia but I left there last August. From there it was sent to California where I had been and finally reached me here.

A little news about myself? There is not much to tell. I will receive my wings and commission on March 6 which is just a little more than a month away. After that I hope for a short furlough during which I plan to pay Bryant a visit. Outside of that, nothing important has happened.

I thank you again for your kind remembrance.

Respectfully,

John C. Sullivan
